### Size

It is needed to choose the size of the luggage. If the prices depend on the size of the luggage, you should choose the appropriate size, «Small», «Medium» or «Large». If the prices are not depend on for the size of the luggage, you should select the option «Any size».

«Small», «Medium» or «Large» sizes are:

	Small	Medium	Larg
Height	Up to 56 cm	From 56 to 67 cm	More than 67 cm
Width	Up to 38 cm	From 38 to 44 cm	More than 44 cm
Depth	Up to 24 cm	From 24 to 28 cm	More than 28 cm

### Count

Must be filled the maximum number of mentioned size luggages that you can store.

The purpose of this field is that, after making a booking, if the number of luggage to be checked in at the same time expires, the system will not allow make a booking.

### **Price per day**

Filled in if prices are set per day. For example, the price for one day of luggage storage is 5 Euros. One day prices are calculated for every 24 hours.

### **Price per hour**

Filled in if prices are set for every one hour. For example, the price for one hour of luggage storage is 5 Euros

### **Lockers price packages**

It is filled in if the prices are by hours. For example: 0-6 hours 2 euros, 6-12 hours 4 euros, 12-24 hours 6 euros. In order to attract many clients, it is recommended by LugLockers to set prices in these ranges.

It is also recommended to set the prices according to the size of the luggage: small, medium and large.
